**Health Through Peace**

Two Day Forum 2015: Health Through Peace

University of London, UK

The Global Champion in a UN Peacebuilding Partnership for Conflict, Crime and Security Research (PaCCS) (Executive Director), Ridge Global (President of the World Methodist Council) and The University of Manchester (PaCCS) are jointly organizing a Two Day Forum: Health Through Peace.

The Forum will focus on the role of peacebuilding in achieving health and well-being for all, and will foster dialogue between and amongst children, youth, community members, advocates, faith leaders and public health professionals. It will aim to explore the role of health in conflicts and post-conflict situations in terms of both physical and mental health, and will discuss how health can be used as a tool for peacebuilding, prevention and reconciliation.

**Applications**

Applications can be submitted by institutions and legally recognisable associations engaged in school encounters for trilateral projects. The funding ceiling is EUR 30,000.

**Funding**

Funding is provided for: travel expenses, programme expenses, personnel expenses and a product flat rate for up to two encounters (outward and return encounter) for bilateral projects and up to three for trilateral projects.
